

Dear Parents,

Your child has learned so much this year in second grade. The students have become great readers and we want to continue to encourage them to read this summer.

For our summer reading program this year, each child will choose at least three chapter books at their reading level to read and keep a reading record on their **Reading Verification Form**. Have your child choose one of the books that he/she read and make a **Book Float Book Report** (see attached directions). They will return all items to school on **Monday, August 14th**. The project will be graded based on the attached rubric and averaged into their reading grade. Neatness does count!

Have a great summer break and I'll see you in  
August!

Mrs. Mangieri
